

The allocation of spaces concerning the pre-reservations received for Festibike 2023 will take place on Thursday, April 20th, 2023.

## . Key in hand expo space

---

The selection order will be according to the number of square meters requested, within groups established by the following segments:

1st .....	above 200 m <sup>2</sup>	5th .....	25,5 to 50 m <sup>2</sup>
2nd .....	100,5 to 200 m <sup>2</sup>	6th .....	2,5 to 25,5 m <sup>2</sup>
3rd .....	75,5 to 100 m <sup>2</sup>	7th .....	9 to 12 m <sup>2</sup>
4th .....	50,5 to 75 m <sup>2</sup>		

1. All the participating businesses must have paid the inscription fee (10%) and forwarded the Pre-Reservation prior to Friday, April 14th, 2023.
2. The companies unable to attend to the allocation event, will be able to delegate their space selection via written consent.
3. In the case of not attending and not expressly delegating its participation, the company will have implicitly delegated its selection to the Event Direction.
4. The surface selected during the event may differ from the initial reservation, but this modification must never surpass a 10% reduction on the initial surface requested.
5. The company who, for any circumstance, exceeds the previously defined reduction in its selection, as well as those who formalize their payment after, Friday April 14, 2023, will be demoted to the last place in their respective group, according to the new reservation.
6. Under no circumstance will the companies be allowed to unilaterally alter the shape and size of the islands marked on the enclosure plan, without the express authorization from the Event Direction.
7. In the event that two or more companies reserve the same amount of surface, their selection order will be determined by a draw held during the event.
8. Companies with different names may not assemble into groups to reserve a single space, unless they provide proof of belonging to the same business group.
9. Companies within a business group which wish to hire their space jointly, must credit their belonging to said group through a declaration from the person in charge of the group, alongside the participation application.
10. Companies who send their Festibike 2023 pre-reservation application after Thursday April 20th, 2023, will select their surface from the remaining spaces after the draw, depending on availability.

## . Floor expo space

---

The previous rules and conditions apply to these areas, considering that the reference surface to establish the selection order will be the surface reserved in the paddock floor space or the boxes floor space.
